CLUES

1. Seek the sparkling Blanc de Pommés—tart green apples and bubbles lead the way.
2. Heads peep from leafy beds, a world where tiny dreams are fed.
3. Follow the smoke where the slow meats lie, where sauce runs thick and flavors fly.
4. One walks with spurs, the other flies; together they serve delight before your eyes.
5. Step inside where time stands still and wheels of creamy gold await to thrill.
6. Ancient wheels grind the past to grain; seek this home of flour and rain.
7. Hands shape earth with fire's glow; discover art where clays grow slow.
8. A mark is left in molten clay; find where creators mold and play.
9. Tiny treasures wait inside glass guardians; a jar for every mood.
10. Jack and Jill went up the hill, but these two found sweets to thrill.
11. Where trains once rolled, now scents of coffee and sweet treats stroll, with curious wonders to behold.

12. Wooden wonders, toys galore; find the place kids adore.
13. Chase the roar that falls from high; a silver ribbon meets the sky.
14. Crowns of cloth atop every head; find the shop where styles are led.
15. A plate of noodles? Not quite—sweet spirals swirl with a grown-up bite.
16. Seek the six-foot gnome guarding gems and chimes where magic fills the room.
17. Find the tomato tipping a glass—cheers to fun and a splash of sass!

BONUS CLUE

Not in New York, but standing free, she guards the gorge for those who see. Where a wire once crossed in daring days, find her watching through the haze.
